Page one

Under headline "Cynical Frankness of U.S. Agent Friedman,"
Tagesspiegel Magazine reported that (1) Theo Friedman, head of the
West Berlin Investigating Committee of Free Jurists, admitted in an
interview in Opladen that his Committee is closely cooperating with
the "American espionage service" and that the Committee is both financed
and directed by Americans. According to Tagesspiegel, this remark has con-
firmed the Committee's role in the June 17 plot. Friedman allegedly
revealed that in June several "American espionage officers" joined the
Free Jurists and worked out plans for future operations against the
Soviet Zone.
